

DIRECT CHANGE

WOULD YOU LIKE TO DIRECT YOUR OWN FILM?
WORK WITH PROFESSIONAL CREW AND EQUIPMENT?
DO YOU HAVE A STORY TO TELL?

We are looking for young people (16-19) who have experience of being in care, and who are interested in directing their own film.

Each young person we work with will be supported to:

- Direct and star in their own short fiction film shot by a professional crew.
- Participate in a youth-led film movement that puts young people's views at the centre of the conversation around care.
- Advise for and appear in a film with global release.

We also offer:

- Careers support and mentorship in film and television.
- Camera/ Directing/Editing training and experience.
- All expenses paid for the duration of the project.
- Practical advice and support.

We will be interviewing for the project the week starting May 14th.

The main filming will take place in Summer holidays 2018.

Please apply ASAP with a few lines about yourself to:
